

Pepperidge Farm: Save While You Upgrade

Buy refurbished from The Ryzex Group

The Ryzex Group has always been the best source for barcode equipment and repair. We also can offer the best deals on refurbished product.

Ryzex is an Intermec honors partner with premier accreditation. Our FullUse suite of goods and services guarantees that we can offer you the lowest total cost for your barcode equipment. Not only does Ryzex provide support and service for new equipment, we also sell high quality refurbished solutions at lower cost.

Ryzex is also passionate about environmental ethics and offers our customers recycling services. For a limited time, Ryzex is offering a \$50 trade rebate with the purchase of a refurbished Intermec 6820 printer.

Should you not choose to purchase an Intermec 6820 portable/fixed with Ryzex at

this time, we will gladly pay return freight for your used Fujitsu equipment and recycle it for you in an environmentally safe way.

Refurbished product supplies are limited so contact me today for pricing!
